	LAA	National Indicators	Year / period	Slough	SE	SN	Eng	Rating likely to be viewed as	Year / period	Slough	SE	SN	Eng	SN Comparison	England Comparison	Good to be high or low	Rating likely to be viewed as	Date of previous outturn	Value of previous outturn	
1. Being Healthy	LAA	NI 50 Emotional health of children	2009/10	55.2	54.8	55.8	56	Concern This is a Tellus Survey based indicator which shows Slough 2009/10 performance drop by 6.2% from 61.4% (Tellus3 new weighting) to 55.2% (Tellus4). This is inline with the national picture which declined by 6.6% and along with our statistical neighbours ranging from a decline of 4.5% to 10.1%. This places Slough in the 3rd quartile, ranked 98th nationally (out of 152 LAs) and 6th (out of 11) in our SN group.	2008/09	61.4 (Tellus 3 new weighting)	61.6	62.7	62.6	Inline	Inline	High A statistically significant increase in the percentage of CYP in a local area giving responses which indicate good relationships.	Worst quartile This is a Slough LAA indicator (Tellus Survey).			
		NI 55 Obesity among primary school age children in Reception Year	2008/09	13.1	9.10		9.6	Concern Performance increased by 2.6% in comparison with previous year and considerably higher than SE and national averages.	2007/08	10.5		11.1	9.9	Inline	Inline	Low Good performance is: • A minimum of 85% of eligible pupils being measured. • A reduction in the proportion of obese children over time, initially showing a reduction in the rate of increase in the proportion of obese children.	Marginally above national value and slight increase from 2007 of 10.07%	2006/07	10.07	
	LAA	NI 56 Obesity among primary school age children in Year 6	2008/09	19.4	16.50		18.3	Concern An increase of 0.8% in comparison with previous year and also above the national and SE average. However marginally below 08/09 target of 20.05%.	2007/08	18.6		20.9	18.9	Above	Inline	Low Good performance is: • A minimum of 85% of eligible pupils being measured. • A reduction in the proportion of obese children over time, initially showing a reduction in the rate of increase in the proportion of obese children.	Data is collected, recorded and analysed by PCT, with cooperation of local schools. Excellent coverage saturation in terms of establishing height and mass of pupils.	2006/07	21.35	
	LAA	NI 57 Children and young people's participation in high-quality PE and sport	2008/09	82	83	79	81	2nd best quartile A 7% improvement from previous year and marginally above national average. However 2% below our 08/09 target of 84%.	2007/08	75		75	76	Inline	Inline	High A high percentage - one that is above the national average.	Deferred to 2009/10 Definition and collection of methodology not currently defined, although it is anticipated that this will be collected through an annual DCSF survey of schools and others. However the Schools Sport Survey 07/08 published Oct 08 states Slough as 87% which places Slough in the lower quartiles.	2006/07	86	
		NI 199 Children and young people's satisfaction with parks and play areas	2009/10	56.4	55.9	55.6	54.1	Very Good This Tellus Survey based indicator where Slough's 2009/10 performance improved by 12.6% from 43.8% (Tellus3) to 56.4% (Tellus4). Slough performance have improved at a faster rate than our comparators. England average increased by 7.7% and by 7.2% for South East average. Slough Tellus4 figure of 56.4% is 2.3% above the England average of 54.1%. This places Slough in the 2nd quartile, ranked 58th nationally (out of 152 LAs) and 4th (out of 11) in our SN group.	2008/09	43.8 (Tellus 3 new weighting)	48.7	48.4	46.4	Inline	Inline	High A statistically significant increase in the percentage of CYP who rate the parks and play areas in their local area as good or fairly good.	2nd best quartile Taken from Tellus Survey. Outturn deemed as 2008/09 by CAA.			
2. Staying Safe		NI 69 Children who have experienced bullying	2009/10	27.5	30.2	27.7	28.8	2nd Quartile This is a Tellus Survey based indicator. This years Tellus4 results for this indicator are not directly comparable with previous years results due to changes in the questions asked. There has been a clear decline in the percentages for this indicator nationally. Slough figures improved by 21% from 48.5% (Tellus3) to 27.5% (Tellus4). This is inline with the national picture also which improved by 21.3% from 50.1% to 28.8%. This places Slough in the 2nd quartile, ranked 54th nationally (out of 152 LAs) and 5th (out of 11) in our SN group.	2008/09	48.5 (Tellus 3 new weighting)	54.1	46.7	50.1	Inline	Inline	Low A reduction in reports of bullying would represent good performance, as it would show that the local authority is working with its partners to tackle the problems.	2nd best quartile Taken from Tellus Survey.

4. Making a Positive Contribution	LAA	NI 110 Young people's participation in positive activities	2009/10	77.7	68.8	64.7	65.8	Very Good This is a Tellus Survey based indicator which shows Slough 2009/10 performance drop by 6.7% from 71.0% (Tellus3 new weighting) to 77.7% (Tellus4). This places Slough in the top quartile, ranked 7th nationally (out of 152 LAs) and 1st (out of 11) in our SN group.	2008/09	71.0	70.7	66.2	68.2	Above	Inline	High Good performance is typified by a high and increasing percentage of young people participating in activities - statistically significant improvements will be considered.	Best quartile Tellus Survey			
		NI 112 Under 18 conception rate (a) - Rate per 1000 (b) - % change in rate since baseline 1998	2007/08	31.8 -43.7	32.9 -13.0	44.2 -12.1	40.4 -13.3	Very Good Positioned in the top quartile. Ranked 2nd nationally for % change and 8th for the lowest rate nationally.	2006/07	43.5 -22.0	47.6	44.6	-10.5	Inline	Inline	Low Good performance is typified by a higher percentage reduction from the baseline year. (A reduction is quoted as a negative figure.)	2nd best quartile	2005/06	38.7 -31.4	
		NI 115 Substance misuse by young people	2009/10	3.9	9.8	7.2	9.8	Very Good This Tellus Survey based indicator shows that Slough's 2009/10 performance improved marginally by 0.2% from 4.1% (Tellus3 new weighting) to 3.9% (Tellus4). This goes against the national and comparator trends which declined in comparison. England average increased by 0.5% and by 1.1% for South East average. Slough's Tellus figure of 3.9% is 5.9% below the England average of 9.8%. This places Slough in the top quartile, ranked 4th nationally (out of 152 LAs) and 1st (out of 11) in our SN group.	2007/08	4.1	8.7	6.7	9.3	Above	Above	Low The best performance is where the prevalence rate reduces over time.	Best quartile Tellus Survey			
5. Achieving Economic Well-being	LAA	NI 117 16 to 18 year olds who are not in education, training or employment (NEET)	2008/09 2009/10 Q1 2009/10 Q2 2009/10 Q3 Overall 2009/10	5.3 6.3 8.8 6.2 6.0				Concerns 2008/09 Inline with 2007/08 however quarter 1, 2 & 3 of 2009/10 suggest rate are on the rise (Apr 6.5; May 6.1; June 6.3; July 7.7; Aug 9.2; Sept 9.4; Oct 5.9; Nov 6.6; Dec 6.1). The overall NEET rate for Slough for 2009/10 is 6.0% (an average of Nov 6.6; Dec 6.5 and Jan 5.2) which is 0.7% higher than the previous year's and well above the current target of 4.4%.	2007/08	5.3	5.7	6.8	6.9	Inline	Inline	Low A lower percentage of NEET shows better performance.	Good Well below national value	2006/07	5.8
